Note: "Hand" indicates marks that are hand timed (raised to the next tenth [0.1] of a second) and "FAT" indicates marks measured with "fully automatic timing" systems, such as an ACCUTRAK or FINISHLYNX system. The qualifying marks in Table 1 should only be used as a guideline for entering athletes. Because of the variability in performance from year to year, achieving these marks does not necessarily guarantee an invitation to the 2004 Sacramento Meet of Champions.
